PUBLIC NOTICE

Listed below are the 2013 Fiscal Year (July 1, 2012 through June 30, 2013) salaries for all public employees on the Scott County payroll system. The annual salary is determined by the hourly rate at the time of the last payroll paid in June of each fiscal year and multiplied by the employee's current FTE (full time equivalent) status. Amounts noted with an asterisk are hourly rates, not annual.

In addition to wages listed below, employees have the following fringe benefits available to them depending on their FTE status: Medical, Dental, Prescription Drug, Optical, Long Term Disability and Life Insurance, paid vacation and sick leave, retirement contributions, and reimbursement of continuing education.

Specific questions about salaries and benefits may be directed to the Scott County Auditor. This report can also be accessed on the Scott County website at: www.scottcountyiowa.com/auditor
