County Administrator

FROM: Jon Burgstrum
County Engineer

SUBJ: Bridge Postings

DATE: February 22, 2008

After receiving the 2007 Bridge inspections performed by our consultant Calhoun - Burns, Scott County placed weight limits on six bridges and one lane limits on two bridges. The Iowa Department of Transportation Enforcement Branch will not write citations for violations of bridge postings unless a resolution has been passed by the Board authorizing the restrictions. The attached resolution also gives local law enforcement and the County Attorney a defensible position while prosecuting violators.
