Construction Program

DATE: May 29, 2008

Resolution approving amendments to the Iowa Department of Transportation Budget and the current year of the 5 Year Construction Program.

- 1) The diesel fuel amendment is due to the overall increase in fuel costs.
- 2) The snow and ice amendment is due to the harsh 07-08 winter.
- 3) The construction amendment is because of the increase of the scope of two asphalt projects.
