Re: City of Bettendorf's proposed creation of two TIF Districts for commercial developments of a new Emergency Animal Clinic Building 28th and State Street and the redevelopment of the Shopko-Joevan site at Kimberly and Middle Road.

The City of Bettendorf notified Scott County of an opportunity to consult that is scheduled for, Friday, May 23, at 10:00 AM regarding plans to create TIF District in existing urban renewal districts. The City is proposing the use of tax increment financing generated by the development of a new veterinary clinic building at 28th & State and the redevelopment of the Shopko-Joevan site at Kimberly and Middle Road. The TIF funds would rebate the tax increment revenue on the clinic project for five years and on the Shopko-Joevan site for eleven years..

Proposed Emergency Animal Clinic Building

The assessed valuation and property taxes generated by the existing property at 28th & State are:

Current land value	\$ 81,000
Current taxes paid	\$ 3,900

The proposed project is anticipated to result in:

Future Assessed Value of developed land	\$701,000
Estimate of future taxes of developed land	\$ 17,525
Estimated duration of TIF	5 years
Estimate of Annual TIF payment	\$ 13,625
Total TIF payments over 5 years	\$ 68,125

The development agreement the City has with the developer states that the TIF payment will be based on a 6,200 square foot building built on the property for a minimum total assessed value of \$620,000. The \$3,900 in taxes paid on the existing property will continue to go to the taxing entities.

Proposed Redevelopment of Shopko-Joevan Site

The assessed valuation and property taxes generated by the existing property at Kimberly and Middle Road are:

Current land and building value	\$5,172,710
Current taxes paid	\$ 129,317

The proposed project is anticipated to result in:

Future Assessed Value of developed land	\$14,172,710
Estimate of future taxes of developed land	\$ 354,317
Estimated duration of TIF	11 years
Estimate of Annual TIF payment	\$ 225,000
Total TIF payments over 11 years	\$ 2,475,000

The development agreement the City has with the developer states that the TIF payment will be based on redevelopment of the former Shopko building and the construction of a new 8,500 sq.ft. retail building adjacent to the Middle Road entrance in the first phase. The second phase will consist of four additional commercial building on the site totaling 28,700 sq.ft. in size. The developer agrees to a minimum total assessed value of \$5,172,710 which will generate a TIF payment of \$225,000. The \$129,317 in taxes paid on the existing property will continue to go to the taxing entities.

The TIF Review Committee did not see any need to attend Friday morning's meeting because it appears to be the type of use of TIF that we could recommend the Board support. A copy of a draft letter for the Board to send to Bettendorf and the information provided by the City is attached.

RE: City of Bettendorf's proposed creation of two TIF Districts for commercial development of a new Emergency Animal Clinic Building 28th and State Street and the redevelopment of the Shopko-Joevan site at Kimberly and Middle Road..

Dear Mayor Freemire and Council Members:

Thank you for the opportunity to comment on the proposed creation of two tax increment financing districts, one for an animal emergency clinic at 28th and State Streets and the other for the redevelopment of the Shopko-Joevan site at Kimberly and Middle Roads. The Scott County Board of Supervisors has reviewed the information provided our TIF Review Committee by your City Planner John Soenksen. The Board supports the use of TIF as an economic incentive to encourage commercial development and redevelopment of areas in Bettendorf.

It is the Board's understanding that the TIF payments for the animal clinic will be limited to six years from the date of the initial payment and based on a minimum assessed value of \$620,000 for the land and new building. And that the TIF payments for the redevelopment of the Shopko-Joevan site will be limited to eleven years from the date of the initial payment and based on a total assessed value of \$14.2 million. It is also the Board's understanding that the City of Bettendorf has initiated these TIF plans to make these projects economically feasible but that the City's intention is to have the minimum amount of TIF dollars used.

The Scott County Board of Supervisors appreciates the continuing spirit of cooperation with the City of Bettendorf on economic development projects and we look forward to working with you in the future.

Sincerely,

Jim Hancock, Chairman
Scott County Board of Supervisors

SUBJECT: A proposed new urban renewal area in Bettendorf and two proposed new Tax Increment Financing Districts.

Dear Sirs:

Two of the city's top goals in its efforts to encourage economic development and increase the tax base are:

1. To insure the retention and expansion of existing Bettendorf businesses such as the Bettendorf Emergency Animal Clinic.
2. To encourage the redevelopment of blighted or under utilized property such as the former Shopko-Joevan site at the intersection of Kimberly Road and Middle Road.

The city may choose to offer financial incentives for these developments in the form of tax increment financing (TIF).

The new building anticipated for Bettendorf Emergency Animal Clinic will consist of a 6,200 square foot structure at the intersection of 28th Street and State Street. The location chosen for the new building has been vacant for several years and has been seen as problematic for redevelopment. With the use of the TIF incentive, the City may be in a position to address this problem. The City anticipates a request for a five year 100% TIF rebate with the total amount rebated capped at no more than \$68,125.

The redevelopment for the Shopko-Joevan site will consist of the renovation of the largest main building, demolition of the other smaller buildings and construction of five new additional retail structures. The total project is anticipated to include 116,399 square feet of structures built in two phases to all be completed by December 30, 2010. The City anticipates a request for an eleven year 100% TIF rebate.

Prior to offering any such financial incentives, the city desires to seek your input about these projects. Therefore, an Opportunity to Consult will be held on May 23, 2008 at 10:00 AM in the second floor conference room of the Municipal Annex Building at 4403 Devils Glen Road. Please feel free to contact me at any time should you have any question concerning these projects.

Sincerely,

WHEREAS, development within Urban Renewal Area #1 has not occurred at a rate desired by the City of Bettendorf, and

WHEREAS, under Chapter 15A of the State Code, the City is required to determine that a public purpose will reasonably be accomplished and the City Council so FINDS that jobs will be preserved and expanded, blight will be eliminated and tax base increased as a result of the agreement signed herein; and

WHEREAS, Chapters 15A and 403 of the Code of Iowa authorize cities to provide grants, loans, guarantees, tax incentives and other financial assistance to or for the benefit of private persons.

NOW, THEREFORE, the parties hereto agree as follows:

Section 1. Developer Obligations. The Developer shall undertake the Animal Emergency Center Project consisting of demolition of a certain existing structure and the construction and installation of a certain new building, facilities and other improvements, and related improvements to adjacent streets, sanitary sewer lines and water mains as part of the Animal Emergency Center Project.

The Developer will undertake the Project, consisting of, but not limited to construction of one animal emergency center measuring a minimum of 6,200 square feet allowed in a "C-3" General Business District, on the property described above and by this reference made a part thereof the "Property". Prior to the construction of the Project, the Developer shall submit to the City copies of all plans and engineering documents related to the Project as customarily required under existing City Ordinances. The City may request reasonable changes to such plans and documents to insure compliance with existing applicable City Ordinances and engineering requirements plus a quality appearance. The Project shall commence promptly upon City approval of plans and issuance of a building permit, and the Developer shall diligently prosecute construction to be completed prior to the end of calendar year 2009.

The Developer will agree to a minimum assessed value for the Project of \$620,000 for the time frame beginning January 1, 2009 through December 31, 2018 (except for limited exceptions provided for in the Minimum

Assessment Agreement), provided that City timely approves the site plan and building permit and that construction is substantially completed by December 31, 2009 (the "Completion Date"). During such time, the Developer, its assigns, or successors in interest, and all tenants of the buildings agree not to seek to reduce the assessment of the property to below \$620,000, unless one of the stated exceptions in the Minimum Assessment Agreement occurs. Said Minimum Assessment Agreement must be filed with the Scott County Recorder's Office before December, 31, 2008.

Section 2. Economic Development Payments. In recognition of the Developer's commitment set out herein, the City agrees to make economic development tax increment payments (the "Payments") to the Developer in each fiscal year during the term of this Agreement, pursuant to Chapters 15A and 403 of the Code of Iowa, in an amount equal to the total incremental property taxes derived from the Project.

The Payments shall be made solely and only from incremental property taxes received by the City from the Scott County Treasurer, which are attributable to the improvements made to the Property as called for herein. The Payments to the Developer are subject to the timely payment of property taxes by the Developer or other owners of the Property, and to the satisfactory completion of the Improvements.

Section 3. Term. Taxes to be rebated under this agreement shall be those incremental taxes accruing on the property by virtue of the newly constructed building beginning January 1, 2010 and continuing for a maximum of 5 years thereafter, or until a maximum of \$68,125 in incremental tax revenue has been rebated to the Developer, whichever first occurs.

Section 4. Assignment. This Agreement may not be amended or assigned by either party without the express permission of the other party. However, the City hereby agrees and consents that the Developer's right to receive the Payments hereunder may be assigned by the Developer to a private lender, as security, or to another entity which is controlled by the Developer, without further action or approval on the part of the City. In the event that Developer sells the Property subject to the minimum assessment agreement as herein required, the Developer may without any further consent of the City assign its rights to the remaining payments. The City agrees, further, not to unreasonably withhold its permission upon receipt of a request from the Developer for assignment of all or any portion of its rights and obligations hereunder to any other party and to either approve or deny such request within sixty (60) days after receipt of such request by the City Council.

Section 5. Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties.

Section 6. Governing Law. This Agreement shall be deemed to be a contract made under the laws of the State of Iowa and for all purposes shall be governed by and construed in accordance with the laws of the State of Iowa.

Section 7. Dispute Resolution. All disputes, controversies and questions directly or indirectly arising under, out of, in connection with or in relation to this Agreement or its' subject matter, including without limitation, all disputes, controversies and questions relating to validity, negotiation, interpretation, construction, performance, termination and enforcement of the Agreement, shall be resolved finally and conclusively in accordance with this section, which shall be the sole and exclusive procedure for the resolution of any dispute.

The parties shall attempt in good faith to resolve any dispute promptly by negotiation. If the matter has not been resolved within twenty (20) days after a party's request for negotiation ("Negotiation Period"), either party may initiate arbitration as provided herein.

Initiation of Arbitration. If the dispute is not resolved during the Negotiation Period, any unresolved dispute, controversy or claim arising out of or relating to this Agreement or the relationship resulting in or from this Agreement (each a "Dispute" and collectively, the "Disputes") shall be settled by binding arbitration. The expedited procedures of the Commercial Arbitration Rules ("Commercial Rules") of the American Arbitration Association ("AAA") in effect on the date that the arbitration is initiated as provided herein shall govern the procedure for the arbitration, except to the extent modified by the provisions of this Section 7. The arbitration shall be initiated by sending to the other party and the AAA a written demand for arbitration that complies with the requirements of the Commercial Rules (the "Arbitration Demand") and by requesting from the AAA a list of qualified arbitrators (the "Arbitrator List") meeting the requirements of the following paragraph. The AAA shall not administer the

arbitration and shall only provide the list of qualified arbitrators and appoint one or more arbitrators under the circumstances set forth herein. Each party to the arbitration shall be responsible to pay an equal share of the fees payable to the AAA in connection with the arbitration, subject to the right to recover such fees as a cost or expense incurred in connection with the Dispute as otherwise provided in this Section 7. If a party fails to pay its share of such fees within the time required by the AAA, any other party may advance such share and recover it from the party failing to pay it, together with interest at the annual rate of 18%. The party advancing such share shall be entitled to have an immediate award entered by the arbitrator, once appointed, for the full amount of such party's payment with interest thereon and attorney's fees and expenses incurred in connection therewith.

Location of Arbitration. The arbitration, including the rendering of the award, shall take place in Bettendorf, Iowa.

Arbitrator's Award. Any award rendered by the arbitrator may be entered as a judgment or order and confirmed or enforced by either party in the division of the United States District Court located in the Southern District of Iowa which includes Bettendorf, Iowa. If either party brings or appeals any judicial action to vacate or modify any award rendered pursuant to arbitration or opposes the confirmation of such award and the party bringing or appealing such action or opposing confirmation of such award does not prevail, such party will pay all of the costs and expenses (including, without limitation, court costs and attorney fees) incurred by the other party in defending such action. Additionally, if either party brings any action for judicial relief (other than injunctive relief) in the first instance without pursuing arbitration prior thereto, the party bringing such action will be liable for and will immediately pay to the other party all of the other party's costs and expenses (including, without limitation, court costs and attorney fees) to stay or dismiss such judicial action and/or remove it to arbitration. The arbitrator may only grant a remedy or relief that is within the scope of this Agreement, including, but not limited to, any limitations on remedies imposed by other provisions of this Agreement. The arbitrator shall not award punitive or exemplary damages, and each party to this Agreement waives their respective right to recover punitive or exemplary damages under any circumstances. In making an award, the arbitrator shall apply and follow the laws of the State of Iowa applicable to contracts and to the extent applicable, the Federal Arbitration Act, found at 9 USC §1, et. seq. (the "Federal Arbitration Act"), which shall supersede any state laws governing arbitration of Disputes; provided, however, that the procedural rules in the Commercial Rules and the evidentiary and discovery rules set forth in the following subsections of this Section 8 shall be applied notwithstanding state or federal law to the contrary. The prevailing party in an arbitrated Dispute shall be entitled to recover as a part of any award the costs and expenses (including without limitation reasonable attorneys' fees) incurred by such party in connection with the arbitrated Dispute.

Discovery. Except as hereafter provided, discovery shall be at the discretion of the arbitrator and allowed only upon a showing of good cause. The parties shall comply with the requirements of Federal Rule of Civil Procedure 26(a)(1)(A), (B) and (C); Federal Rule of Civil Procedure 26(a)(2)(A) and (B); and Federal Rule of Civil Procedure 26(a)(3)(A), (B) and (C) within sixty (60) days after the date of the Arbitration Demand. Any party failing to comply with such requirements shall be subject to sanctions as provided in Federal Rule of Civil Procedure 37(b)(2)(A), (B), (C) and the final unlettered paragraph thereof; Federal Rule of Civil Procedure 37(c)(1); and Federal Rule of Civil Procedure 37(d); provided, however, that the arbitrator may permit a party to have one additional period of up to thirty (30) days to cure any such failure. The arbitrator shall permit, as a matter of right, the depositions of the parties and any expert witnesses to be taken. The arbitrator shall not allow more than one (1) set of interrogatories limited in number to no more than thirty (30), including subparts thereof. The arbitrator shall have the right to enter protective orders under Federal Rule of Civil Procedure 26(c)(2), (3), (4), (5), (6), (7) and (8). The parties shall supplement responses to discovery permitted in this subsection under the circumstances described in Federal Rule of Civil Procedure 26(e). Discovery requests and responses, including objections, shall be signed in the manner described in Federal Rule of Civil Procedure 26(g) and the certification described in Federal Rule of Civil Procedure 26(g)(2) and penalties described in Federal Rule of Civil Procedure 26(g)(3) shall apply to each signature. The arbitrator shall enforce the discovery provisions set forth in this subsection.

Evidence. The formal rules of evidence shall not be applicable to the arbitration. Any relevant evidence, including hearsay to the extent it is determined by the arbitrator to be reliable, may be admitted by the arbitrator if it is the sort of evidence upon which responsible persons are accustomed to rely in the conduct of serious business affairs, regardless of the admissibility of such evidence in a court of law.

Time Limits. The award shall be made by the arbitrator on or before thirty (30) days after final submission of all matters, or within such extended time, not exceeding an additional thirty (30) days (sixty (60) days total) as the arbitrator may determine is necessary.

Form of Award. The arbitrator shall render the award in writing, which shall set forth in detail the reasons for such award. The arbitrator shall sign and date the award and serve upon each party a signed copy of the award.
