### **Contract Coverage**

This contract includes all technical service work and support, mileage, and parts 24 hrs a day, 7 days a week to maintain the above listed equipment to its original manufacturer's specifications as long as parts and support are provided by that original manufacturer. This shall be a yearly contract starting July 1<sup>st</sup> 2008 and proceeding through June 31<sup>st</sup> 2009. This contract automatically renews, year-to-year unless canceled 30 days prior to the anniversary date by either party.

### **Contract Inclusions**

RACOM technicians will perform yearly Preventative Maintenance on all contracted equipment; this includes sensitivity, modulation, frequency and power alignment of all equipment to the manufacturer's original specifications. At the time of the yearly test RACOM personnel will also program equipment with any software upgrades, flash code upgrades and will reprogram equipment for any desired user personality changes. Service depot charges and associated shipping charges, if required will also be covered under this agreement. RACOM will also analyze and condition batteries for the equipment listed if the Battery Maintenance Option is exercised. Like units may be added during the contract period at the pricing listed above.

### **Contract Exclusions**

This contract does not cover damages caused by acts of God, equipment misuse or abuse, vehicle accident damage, induction of liquids or other foreign materials, power surges or lightning strikes. Also excluded are batteries, unless the Battery Maintenance Option is exercised, power lines, phone lines, towers, antennas and feed lines. Equipment theft is not covered.

### **Full Squad Service Inclusions**

Full Squad Service includes all labor and mileage required to make repairs and or replace parts, such as bulbs, flashers, relays, lens, siren speakers, motors, gears, switches, strobe power supplies, LED's etc. These parts may be obtained either by the Bettendorf Police Department or by RACOM; however the cost of these parts will not be covered by this contract. Under Full Squad Service, any equipment not directly covered by the contract may be sent, by RACOM to its Original Equipment Manufacturer's Service Depot for repairs. RACOM will establish accounts with these manufacturers and will charge a flat fee of \$75.00 over and above the manufacturer's bill for service. Any shipping costs incurred will not be included in the \$75.00 flat fee, and will be billed out at RACOM's cost. Re-installation of depot serviced equipment will be covered under Full Squad Service.
