County Engineer

SUBJ: Snowmobile Route

DATE: November 25, 2008

Resolution approving Snowmobile routes for Scott County. Dates for operation will be November 15th until April 1st of each year.

We are asking to change how the resolution has been made in the past. The snowmobile routes have not changed for many years so we are submitting this as a blanket resolution covering the dates for each year on the same routes.

This is another way for the county to go 'green' by eliminating a resolution for the same snow routes and dates of snowmobiling each year.
