SUBJ: Approval of Plans & Specifications for Project L-509 Asphalt Surfacing

DATE: May 28, 2009

Resolution to approve the plans and specifications for the L-509 Project on 257<sup>th</sup> Av. and 200<sup>th</sup> Street, Scott County.

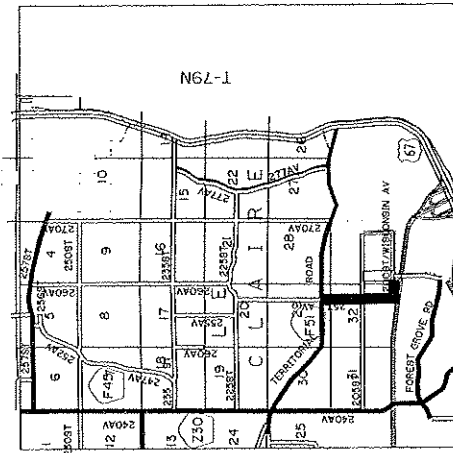

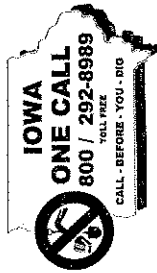

This project is asphalt surfacing that was originally planned as a sealcoat.

**UTILITIES NOTE**

The contractor is responsible for notifying all public utilities on the project in accordance with Article 1107.15 of the Standard Specifications. To locate utilities call IOWA ONE CALL 1-800-292-6969

**TRAFFIC CONTROL**

One lane traffic will be maintained during construction operations. Local traffic to adjacent properties will be maintained as provided for in Article 1107.08, 2001 Standard Specifications. Traffic control devices, procedures, layouts, signing, and pavement markings installed within the limits of this project shall conform to the Manual on Uniform Traffic Control Devices for Streets and Highways as adopted by the Department of Transportation of the Iowa Administrative Code (IAC) 130.11. The Contractor's responsibility to erect and maintain advance warning signs and type III barricades at the project approaches and to provide, erect and maintain the work zone traffic control required by Standard Road Plans named in these plans.
