Re: Parcel 931163014

The City of Eldridge respectfully requests that the property taxes due on the above referenced parcel be forgiven for the 2009-10 Fiscal Year. The city took ownership of the property in 2008 with the intention of creating a small park for the downtown area. The process of converting this former gasoline service station into green space began last month with the removal of the concrete on the site. The space will be planted this fall and residents should begin enjoying the area as Wiese Park in the spring of 2010.

The city further requests that the property be removed from the tax base for future fiscal years.

Thank you for your attention in this matter. Please contact us if you have questions.

Sincerely,

John R. Dowd
City administrator
