SUBJ: Bridge Posting

DATE: September 29, 2009

After receiving the 2009 Bridge inspections performed by our consultant Calhoun - Burns, we recommend placement of a weight limit on a bridge crossing a tributary over Mud Creek. The Iowa Department of Transportation Enforcement Branch will not write citations for violations of bridge postings unless a resolution has been passed by the Board authorizing the restrictions. The attached resolution also gives local law enforcement and the County Attorney a defensible position while prosecuting violators.
