RE: Renewal of Memorandum of Agreement with Genesis Medical Center

Attached for consideration by the Board is the renewal of the Memorandum of Agreement between Scott County and Genesis Medical Center. This agreement is for another six month period, 1/1/10 to 6/30/10. Scott County requested another six month agreement given the state budget cuts and the impacts on the MH/DD services and fund. The changes in the agreement include the six month agreement period and the elimination of the crisis hotline service. The per diem rates remain the same. We will continue to receive an 11% discount for the first five days at Genesis Medical Center.

I will be available at the Committee of the Whole meeting to answer any questions. Upon approval by the Board, this Memorandum of Agreement will be offered to Genesis for their approval.
