Subject: Settlement of DSA Contract

Most contract language issues with DSA were addressed last year. The only issue on the table this year other than economics was the uniform allowance. The parties agreed to lean the uniform allowance process by merely putting it on a payroll check two times a year. Additionally the union agreed to take a \$50 reduction from the current allotted amount. The parties also agreed to roll the current uniform cleaning allowance into the base salary. The wage increase agreed to was a 1.75% general wage increase and a \$250 increase in the current deferred compensation match. Additionally the four year waiting period to receive the deferred compensation match was eliminated.

If you have additional questions about the terms of the agreement or would like a copy of the final agreement, please let me know.
