RE: New Hire – Assistant County Engineer – Secondary Roads

We have selected a candidate to fill the position of Assistant County Engineer in the Secondary Roads Department. Four (4) candidates were interviewed.

The candidate chosen, Angela Kersten, has a B.S. in Engineering. Ms. Kersten has 11 years working in this field with varied levels of experience. She has been the Assistant County Engineer in Clinton County since July 2003 and received her Iowa Professional Engineering license in January 2004.

Due to the exceptional qualifications of this candidate, I am recommending we hire at a salary of \$77,968 or 100% of midpoint for this position and accrue annual vacation at the rate of 120 hours per year.
