Subj: Two year contract for rubbish removal at county facilities

Below is a summary of bids we recently received for rubbish removal services. The bids include service for all campus facilities and the Tremont facility.

<u>Vendor</u>	<u>Monthly</u>	<u>Annual</u>	<u>Total Contract</u>
Jerry's Waste	\$1,291	\$15,492	\$30,984
Allied Waste	\$560	\$6,720	\$13,440

We recommend that the Board of Supervisors award this four year contract to Allied Waste in the above total contract amount. This contract represents a **cost decrease** of 50+% over the previous contract (also with Allied). This cost reduction can be attributed to a reduction in the number of trash containers as well as a reduction in the number of pulls per week. These reductions are a result of the closing of the Tremont Jail along with our recycling efforts.

This expense is budgeted within the operating budget in the Facility and Support Services Department. I will be available at the next Committee of the Whole meeting to discuss this contract further and to answer any questions you or the Board may have.
