To: Dee F. Bruemmer, County Administrator
 From: Matt Hirst, Information Technology Director
 Subject: Approval of Purchase of Microsoft Software License Maintenance

A quote for Microsoft software license maintenance from Insight has been received. Microsoft software including Exchange, Office, Windows Server, SQL, and Terminal Services are the components upon which the technology environment at Scott County is built.

Microsoft license maintenance detailed below is sole sourced through a State of Iowa contract with Insight. This contract provides to the County Microsoft "Level D" pricing typically only provided to organizations with 15,000 plus licensed desktops.

The quote summary from Insight for this software license maintenance is as follows:

MS Select - Annual Price - Total:

\$79,989.54

MS Select - 3 Year Total:

\$239,968.62

It is recommended that the Board approve the bid from Insight in the amount of \$239,968.62 to be paid in installments over the course of the next three years. While Insight is the only reseller of the Microsoft product line identified for Scott County through the State of Iowa Microsoft Select Contract, this price offers the best pricing available to Scott County through any vendor or contract.

Microsoft License Maintenance provides Information Technology and Scott County with the following abilities:

- Upgrade 355 PC's in use at the County to the latest Office Suite
- Upgrade 70 Servers in use at the County to the latest Network Operating System.
- Upgrade 525 Exchange Clients to the latest mail client.
- Upgrade 675 Network clients to the latest client.
- Provide software developers latest tools.
- Spread licensing costs over the term of a three year contract
- Provide home use rights to the Office Suite for licensed County employees
- Provide access to Microsoft problem resolution support at no charge
- Provide technical training benefits to IT staff

Budget dollars are available in the IT operating budget to fund the cost of this software license maintenance.
