County Administrator

FROM: Jon Burgstrum
County Engineer

SUBJ: Equipment Bid

DATE: September 14, 2010

Resolution approving the purchases of a motor grader, single axle dump truck, and ¾ ton extended cab 4 x 4 Pickup.

Bids received for the 2011 Motor Grader were:

Martin Equipment Rock Island, IL	John Deere 770G	\$220,000
Altorfer Davenport, IA	Caterpillar 140M	\$227,000

We have decided to go with no trade on this purchase because we feel that we can get a better price for the trade by selling it to another municipality or by auction. Trade in price was \$62,125.00.

I recommend the Board of Supervisors approve the low bid of \$220,000.00 for the motor grader to Martin Equipment.

Bids received for 2011 Single Axle Dump Truck were:

Hawkeye International Davenport IA	\$65,444.00 with trade
---------------------------------------	------------------------

We only had one bidder on this truck. We were surprised by this because we had talked to the other dealers and they had indicated an interest to bid. It appears that they did not follow through.

Bids received for the 2011 ¾ Ton 4x4 Pick Up were:

Reynolds Ford East Moline, IL	\$29,185.90	Ford F250
Green GMC Davenport, IA	\$31,103.00	GMC Sierra 2500HD
Lindquist Ford Bettendorf, IA	\$33,194.00	Ford F250
Lujack Chevrolet Davenport, IA	\$39,379.00	Chevy Silverado 2500HD

These bids are with a trade. We took bids for a gas vehicle or a diesel vehicle. Reynolds was low for both types of vehicle. We chose the diesel because this truck will be used by our sign crew and they often tow a trailer with barricades or deliver other smaller equipment to job sites.

I recommend the Board of Supervisors approve the low bid of \$29,185.90 for the 4 x 4 Pick Up to Reynolds Ford.

There is sufficient funding for these vehicles in the Secondary Road budget.
