Subj: Vehicle replacement bid for the Planning and Development

The Planning and Development Department is budgeted to replace one Class 4 Pick-up truck during the current fiscal year. This vehicle is used by the Building Inspector to make field inspections for building permits. We solicited bids for this replacement. Below is a spreadsheet that summarizes those bids.

Quad City Toyota	Whiteside GMC	Reynolds Ford	Lindquist Ford
2010 Tacoma Access	2011 GMC Canyon	2011 Ford Ranger XL	2011 Ford Ranger
\$28,040.00	\$22,737.00	\$17,480.53	\$17,679.00

As the spreadsheet shows the low bid is for a Ford Ranger from Reynolds Ford in the amount of \$17,480.53. I recommend that the Board of Supervisors award this purchase to the low bidder in the above amount. This purchase is budgeted in the Vehicle Replacement portion of the Capital Improvement Program in the amount of \$16,000. Planning and Development has agreed to fund the additional amount (\$1,480.00) from their operating budget. I will be available at the next Committee of the Whole meeting to answer any questions you or the Board may have.
