SUBJ: Approving FY10 Fund Transfers

The County's audit firm stated during prior year audits that the Board approval of fund transfers should be made prior to year end. Staff advised the audit firm that the calculation of all transfer amounts (i.e.: for interest earnings, capital purchases, etc) would not be possible until after year end amounts have been booked, which is subsequent to year end (under accrual accounting). They recommend that the Board pass a general resolution prior to year end with a follow up memo from staff provided to the Board at a later date.

The final transfer amounts that had not been calculated in June are found below in the gray boxes for the Board's information.
