Subj: Courtroom Technology Project

As you know, we have been working with the County Attorney's Office and the Seventh Judicial District to solicit bids for courtroom improvements. Completion of that project is a current Board action item. Several months ago we presented bids to the Board for the actual audio video equipment and installation.

We have now finalized bids for the necessary construction work for the eleven courtrooms. That information is summarized below:

Courtroom Renovation Bids	
Abatement	
Environmental Mgt Services	\$ 33,600.00
Iowa Illinois Taylor Insulation	\$ 15,360.00
General Construction	
Lossi	\$ 84,172.20
PBI	\$ 82,889.00
Electrical	
Davenport Electrical	\$ 10,987.00
Lossi	\$ 23,041.80
Tri-City	\$28,000.00
TOTAL LOW BIDS	\$ 109,236.00

The bids above include work in all affected courtrooms including construction work (ceilings, carpet and walls), electrical work (power and conduit pathways for AV equipment) and abatement (small amounts of asbestos are present in some of the adhesive remaining below the carpet).

I recommend that the Board of Supervisors award the three bids to the respective low bidders for the construction work for this project. The budgeted amount for this project is \$175,000. The total amount of the work awarded including the AV bids (previously awarded to Pratt AV in the amount of \$60,152.00) and the approval requested herein is \$169,388.00.
