Subject: Settlement of PPME Contract

As we negotiated with the Secondary Roads Unit/PPME last fall we had minimal changes to the routine contract language. We did add language regarding employee self evaluations. The economic package consisted of a 2.1% general wage increase effective July 1, 2011, and a the replacement of the onetime holiday last November 12, 2010, with Martin Luther King Day starting January, 2012. Since the County's health insurance became self funded in January, 2010, we were able to agree to language that modified the formula for calculating employee share of premiums. The contract is only for one year.

If you have additional questions about the terms of the agreement or would like a copy of the final agreement, please let me know.
