FROM: Chris Berge, Administrative Assistant

SUBJ: Approval of 2011 Slough Bill Exemptions

Enclosed are the 2011 Slough Bill Exemptions as submitted to the Board for their approval from the County and City Assessors. The Soil Conservation District has certified that these exemptions have been reviewed and meet the legal requirements.

The total acres and assessed valuations requested to be exempt total 1139.94 acres and \$936,049 respectively. The attached listing also shows that the requested acres fall within the maximum allowable acreage as set forth by the Board of Supervisors. Since the passage of the Slough Bill, the following acres and assessed valuations have been approved for exemption:

<u>Year</u>	<u>Acres</u>	<u>Exempt Val</u>
2001	817.16	418,973
2002	827.16	392,149
2003	824.14	321,363
2004	842.18	343,770
2005	882.88	380,996
2006	875.20	372,676
2007	917.07	464,855
2008	1,081.89	482,739
2009	1,130.39	633,815
2010	1,130.46	676,537
2011 (Requested)	1,139.94	936,049

As the listing points out there are seven exemption requests that are under the jurisdiction of three cities (Davenport, Blue Grass and Buffalo). Before the Board may approve these seven exemptions each City Council would first have to approve the exemption request. Letters have recently been sent to the three cities requesting them to respond back to the County once they have acted upon the exemption requests. The City Assessor recommended that you disallow one request because it was not filed by the current owner of record.

It is recommended that the Board approve these Slough Bill exemptions (with the exception of the parcels located within Davenport, Blue Grass & Buffalo) at their next Board meeting.

cc: Dale Denklaus, County Assessor
Becky Eiting, City Assessor
