Re: Purchase of reader/printer from Advanced Systems Inc.

I request approval to purchase a Canon Microfilm Scanner 350 II and printer using the Recorder's Record Management Fund.

This reader/printer will be used in the vital records department of office to search and produce copies of birth, death and marriage. Repairs to the existing machine are becoming excessive.

Advance Systems is the only dealer with service in the Quad City area plus we have received excellent response time to service calls in the past.

The quote from Advance Systems Inc. is \$11,839.98 and is valid until April 30, 2011. There will be an annual maintenance cost per year which will be paid from our budget.
