Subject: Big Brothers Big Sisters Participation

Scott County continues to work with Big Brothers Big Sisters to recruit staff to participate in their school based program. Employees are matched with a student at Hayes Elementary. As part of the school based program they go to lunch 2-4 times a month with the "little". They typically play games and talk. Currently 9 employees are participating in this program and are recruiting more for the fall. Last year we recognized the participants and would like to recognize the three new participants:

Chris Berge	Administration
Dave Donovan	FSS
Rene Luze-Johnson	FSS

We believe this is an example of the County's PRIDE philosophy by employees demonstrating commitment to the community.
