Subject: Approval of Purchase of Auditor’s Office Netbook Computers

Bids have been received for the purchase of ninety netbook computers for the Auditor’s Office.

The bid summary is as follows:

	Vendor
Item	Dell
Ninety (90) Dell Latitude 2120 (225-0110) Netbooks	\$42,300
Totals	\$42,300

It is recommended that the Board approve the bid from Dell to add netbook computers in the Auditor’s Office at a cost of \$42,300.

These netbooks will increase the Auditor’s Office netbook count from fifty (50) to one hundred forty (140).

The Auditor’s Office benefits from the following business process improvements through the use of netbooks at election polling places:

- o Access to complete voter information at polling places
- o Ease of voter record changes eliminating overtime after elections
- o Facilitate efforts toward green initiatives by reducing paper based system requirements

Dollars are available from Capital Improvement Program funds to fund the cost of this project.
