From: Matt Hirst, Information Technology Director

Subject: Approval of Purchase of CommVault Software Maintenance

CommVault backup software license maintenance is due for renewal. CommVault Galaxy is the software implemented by Information Technology to backup data at Scott County.

The bid summary from B2B Computer Products is as follows:

<u>Product</u>	<u>Total</u>
CommVault Galaxy Software Maintenance	\$16,183.43

It is recommended that the Board approve the bid from B2B Computer Products in the amount of \$16,183.43.

The CommVault proposal provides Information Technology the ability to obtain the latest updates and patches to the software as well as better utilize data backup storage media. The result is a more functional and dependable backup environment.

Budget dollars are available in Information Technology department budget to fund the cost of this contract.
