SUBJ: Resolution Approving Revision to the Secondary Road Snow Plan

DATE: December 6, 2011

The Scott County Sheriff has written a policy that outlines the circumstance for declaring a weather emergency. This policy was approved by the Board of Supervisors earlier this fall. The revision we are proposing to our snow plan recognizes the Sheriff's authority to declare the emergency and that according to our plan the Secondary Road Department will be available to assist emergency personnel.

As the Board requested, I sent a letter to the small town mayors that have a secondary road facility nearby to coordinate possible housing for our county roads department. I will brief the Board at Tuesday's Committee of the Whole on their responses.
