SUBJ: Second reading of ordinance for establishing a new speed limit on county road.

DATE: December 22, 2011

Second reading of an ordinance to adjust the speed limit on 278th Avenue and 264th Street, near Centennial Oaks subdivision.

Centennial Oaks is a residential Subdivision with several access points along this route. This is our newest macadam/paving project. The road has several curves which we designed at 45mph and one curve which is posted with an advisory speed at 25mph.

In our speed study 85th percentile was an average of 44.5 mph. I recommend a 45mph speed limit.
