RE: Amendment to the Memorandum of Agreement with Genesis Medical Center

Attached for consideration by the Board is an amendment to the Memorandum of Agreement between Scott County and Genesis Medical Center. The amendment to the agreement is for FY12, 7/1/11 to 6/30/12.

The amendment includes additional CPT codes and rates for the physician (hospitalists) charges. The original agreement had four CPT codes, but Genesis notified the county regarding the need for additional CPT codes in the agreement. The rates are lower in all of the additional codes. The use of CPT codes is an insurance/billing requirement.

The per diem rate remains the same at \$645. The physician services and fees have always been listed separately. The amendment is simply specifying what CPT codes and rates are being used by the hospitalists at Genesis.

Again, because of Scott County's agreement with Genesis Medicaid Center, other counties utilizing Genesis behavioral health services will be expected to pay the same rate.

I will be available at the Committee of the Whole meeting to answer any questions.
