TO: Dee F. Bruemmer, County Administrator
FROM: Roxanna Moritz, County Auditor
SUBJECT: Annual Voting Equipment Certification

Attached is a form for an annual HAVA Election Equipment Certification. This is required by the HAVA State plan, and is in addition to the physical inventory verification that will be done every two (2) years. We did the physical inventory verification last year, so it will not need to be done until 2012. However, we do need to annually verify the quantity of election equipment paid with the Federal/State HAVA dollars. This document is to be approved by the Board of Supervisors and the County Auditor according to the HAVA State plan and returned to the Secretary of States Office.

Richard Bauer, Election Supervisor will be available at the committee of the whole meeting if the Board of Supervisors would have any questions.
