The City of Walcott maintains the south side of F58; the county maintains the north side of F58. This change is being done at the request of the City of Walcott. The Walcott City Council approved the change on their February 20, 2012 meeting.

The original section of F58 belonged to the state of Iowa and was under the jurisdiction of the Iowa DOT. This ordinance will include the section that was previously established by the state at 50 mph.
