Subj: Award of bid for a service agreement for the Jail Security Electronics System

As part of our annual solicitation for various service contracts, we have asked our service vendor, Stanley Security Solutions, to prepare a proposal for a service contract for the Jail Security Electronics System. This service contract provides phone and on-site support for the entire Security Electronics System including the door controls, closed circuit television, intercom system and video visitation system. This service contract provides for all diagnostics and labor to repair the system. Stanley guarantees their ability to repair and keep the system operational. Not included in the service contract are the parts and components required to make repairs.

The proposal from Stanley is a 3 year contract, at a cost of \$13,560 per year for a total cost of \$40,680. This service contract is not competitively bid due to the proprietary nature of the system and the need to have Stanley to deal with any programming and system software issues that may arise. I recommend that the Board award this contract to Stanley. This contract is budgeted in the FSS operational budget. I will be at the next Committee of the Whole meeting to discuss my recommendation further and to answer any questions you or the Board may have.

SCOTT COUNTY BOARD OF SUPERVISORS

June 7, 2012

A RESOLUTION APPROVING THE AWARD OF BID FOR A THREE YEAR SERVICE
CONTRACT FOR THE JAIL SECURITY ELECTRONICS SYSTEM.

BE IT RESOLVED BY the Scott County Board of Supervisors as follows:

- Section 1. That the proposal for a three year service contract for the Jail Security Electronics System is hereby approved and awarded to Stanley Security Solutions in the total amount of \$40,680.00
- Section 2. That the Facility and Support Services Director is authorized to sign said agreement on behalf of the Scott County Board of Supervisors.
- Section 3. This resolution shall take effect immediately.
