**Re: Request by the City of Davenport for the initial payment of \$60,000 for the County's contribution to the cost for the rail spur extension to the EIIC**

The City of Davenport has submitted an invoice for \$60,000 for the initial payment of a \$600,000 contribution by Scott County for cost of extending a rail spur to serve the Eastern Iowa Industrial Center. In April, 2011, Pam Miner inquired how she should request payment of the County's pledge to pay a \$600,000 portion of the costs to extend the rail spur. We told her to submit those requests in \$60,000 installments over ten years beginning in FY12. The City has sent an invoice for the first installment. I have prepared a resolution for the Board's consideration to approve the disbursement of the initial \$60,000.
