Subj: Bids for sidewalk repairs on County downtown campus

Facility and Support Services has solicited quotes for numerous sidewalk and driveway repairs around the downtown campus. We asked four contractors to quote the project. Three came to look at the work and only two responded by providing quotes. Those quotes are:

<u>Vendor</u>	<u>Total Bid Amount</u>
Kelly Construction	\$19,564.00
Precision Builders	\$19,353.00

The above bids are for the replacement of sidewalk panels at over 30 locations and for saw cutting and patching of driveway approaches in two locations. I recommend that the Board of Supervisors award this work to Precision Builders in the above amount. This work is budgeted in the general capital accounts for several downtown campus buildings in fiscal year 2013. I will attend the next Committee of the Whole meeting to discuss my recommendation and to answer any questions you or the Board may have.
