RE: Amendment to Memorandum of Agreement with Genesis Medical Center

Attached for consideration by the Board is an amendment to the original Memorandum of Agreement between Scott County and Genesis Medical Center. This agreement is for FY13, 7/1/12 to 6/30/13.

After some discussions about other counties and their per diem rates, Genesis has decided to lower the per diem rate in their agreement with Scott County. This lower per diem rate will save Scott County \$145 per day for every commitment order. We are pleased to have such a good working relationship with Genesis.

With this agreement between Scott County and Genesis Medical Center, other counties utilizing the behavioral health services, will be expected to pay the same rate.

I will be available at the Committee of the Whole meeting to answer any questions.
