**BOXES AND HYDRAULICS FOR TRUCKS**

TriState Dubuque IA	\$116,078.00
Henderson Manchester IA	\$120,262.00 *
Monroe Truck Equipment Monroe WI	\$128,700.00

I recommend the Board of Supervisors approve the bid of \$120,262.00 from Henderson for the two single axle trucks. The 2013 budgeted amount for the trucks is: \$200,000.00.

The bids including the boxes and hydraulics come to \$121,814.00 per truck. Including the higher than anticipated bids for these two trucks we are still below budget for the 2013 fiscal year. The bid from Tri-State did not meet the specifications.

Our new equipment budget is \$750,000.00. We are spending \$505,628.00 for equipment on this resolution. Using the equipment as trade-ins instead of going to auction was a benefit since the trades were coming in higher than expected. We have approximately \$100,000.00 planned to purchase a chipper, jetter, and truck. We will be under budget \$144,372.00 approximately for the 2013 fiscal year.
