Subj: Approval of proposal for remodeling in County Attorney's Office

I have received a proposal from Precision Builders to perform minor remodeling work for the County Attorney's Office. This project will provide additional office space in the County Attorney's Office, 2nd floor of the Courthouse, to accommodate the relocation of the Risk Management Coordinator to that office. This work includes converting one existing office to a pass through corridor, extending that corridor into new space and building two new offices into new space currently occupied by the state imaging office. The proposal for this work is in the amount of \$17,611.00.

In addition to the proposed construction work, I expect that we will need to purchase approximately \$600 of (owner provided) vinyl wall covering for the project. Also, in order to outfit the new office space, I expect that we would purchase furniture as well. I expect that purchase will not exceed \$6000.

I have reviewed the proposal from Precision Builders and find it to be reasonable for the scope of work. Precision also is quite familiar with maintaining security in our buildings and is very adept at working in and around operational offices while minimizing disruption. For that reason, I have not solicited competitive bids for this work. I recommend that the Board of Supervisors approve the proposal and authorize Facility and Support Services to proceed with the work as outlined above. This project is funded from the Courthouse General Remodeling line item within the Capital Improvement Plan. I will be available at the next Committee of the Whole meeting to discuss this work further and to answer any questions you or the Board may have.

Re: Approval of Tax Suspension Request

This is a request for approval of a tax suspension as presented.

As you are aware, tax suspensions may be directed by the Department of Human Services if the taxpayer is receiving specific assistance from that Department. In these directed suspensions, the suspension remains in effect as long as the person continues to own the property and receive the specified assistance from the Department of Human Services.

Additionally, under the Board of Supervisors policy, taxpayers may apply for suspension based on financial criteria. These are considered requested suspensions and are for the period only of the tax year and relates to the amounts owed at the time of the suspension. Persons may, of course, reapply each year if they continue to meet the eligibility criteria.

The county has received tax suspension petition request as follows:

DIRECTED TAX SUSPENSION:

Ronald Ray Bankson
3705 West Locust Street Lot 2
Davenport, IA 52804

Suspend: The second half of the 2013 property taxes in the amount of \$34.00.

The application meets the Board Suspension Policy requirements. It is recommended that the Board suspend these taxes at their next Board meeting.

Dear Larry,

At their January 23, 2013 meeting, the Bi-State Regional Commission unanimously recommended revisions to the Articles of Agreement that create the Commission. The revisions were necessitated by the desire to match the timing of municipal elections for small member government representatives and to update warrant approval language as it is stated within the By-Laws.

The Scott County Board of Supervisors, as one of the 48 local governments party to the Articles of Agreement, needs to take formal action to approve of these changes. A copy of the revised Articles of Agreement with the changes marked and the Resolution to be considered by your board or council is enclosed. Upon approval by your board or council, please have five (5) copies of the resolution executed by the appropriate official(s) and sealed with your government's seal. Keep one copy for your records, and return the other four (4) copies to Bi-State in the enclosed envelope. We will then officially file and record with the appropriate state and county offices

If you have any questions, or would like a representative from the Bi-State staff to attend your board or council meeting to explain the changes and/or discuss Commission services, please call me or Donna Moritz at (309) 793-6300 (or 1-888-BISATE [247-8283] if long distance).

Your continued support and participation with your fellow local government officials in the activities of Bi-State is appreciated.

Sincerely,

Denise L. Bulat
