Re: Approval of the request for transfer of County tax deed properties to the City of Bettendorf, Davenport Community School District and certain non-profit agencies.

County policy on the disposal of tax deed properties states that prior to offering such properties at public auction the county may transfer such properties to the city, school district or a community based non-profit agency following a public hearing to take comments on the requests.

A public hearing was held on May 9, 2013 on the request of the City of Bettendorf, Davenport Community School District and certain non-profit agencies for the transfer of eleven (11) County Tax Deed properties all located within the Cities of Bettendorf & Davenport. At the request of the DCSD and the adjacent property owner, Parcel G0023-05 at 222 W 13th Street has been removed from the transfer list and will be added to the public auction list. The remaining ten (10) properties are:

City of Bettendorf (2 properties):

Parcel 842005009 Adjacent to I-74, & Parcel 84280730LA strip of land between 2704 & 2724 Glenn Street

Davenport Community School District (2 properties)

Parcel G0038-44 adjacent and south of 930 Harrison Street, & Parcel H0051-24 East of N Howell Street and adjacent and south of RR tracks

Ecumenical Housing Development Corporation (1 property)

Parcel G0047-04 715 Myrtle Street

Habitat for Humanity of the Quad Cities (4 properties)

Parcel F0046-15 901 Farnam, Parcel F0052-18 between 804 & 818 Charlotte Street, Parcel H0042-18 1436 West 8th Street & Parcel X0235B08 south of 6609 Hoover Road

Neighborhood Housing Service of Davenport (1 property):

Staff would recommend approval of the transfer of these ten (10) tax deed properties to City of Bettendorf, Davenport Community School District, Ecumenical Housing Development Corporation, Habitat for Humanity of the Quad Cities and Neighborhood Housing Service of Davenport be approved in accordance with County policy.

Subj: Approval of vehicle replacement for Sheriff's Office

Recently, a van assigned to the Sheriff's Office that is used for the Community Restoration activity was discovered to need over \$2000 in repairs. The van in question is very high mileage and is used to transport inmates to and from community service project and to tow their trailer that contains materials and equipment for each project. This same vehicle is scheduled for replacement for next fiscal year.

Rather than investing money into that vehicle for a relatively short period of time, the Sheriff and I discussed replacing that vehicle early. Since it is unbudgeted in the current fiscal year and generally is used for short trips within the county, we decided to explore a late model used van. Below summarizes the bids we received:

<u>Vendor</u>	<u>Year/Make/Model</u>	<u>Mileage</u>	<u>Bid Amount</u>
Kunes Country - Mt Carroll, IL	2011 Ford E-350	57,000	\$16,531.00
Green Buick - Davenport, IA	2012 Ford E-350	11,730	\$19,664.30
Courtesy Ford - Davenport, IA	2012 Ford E-350	unknown	\$22,000.00
Reynolds Ford - Moline, IL	2013 Ford E-350	0	\$25,467.60
Reynolds Ford - Moline, IL	2013 Ford E-350	0	\$28,447.86
Andy Mohr Truck - Indianapolis, IN	2013 Ford E-350	0	\$33,609.60

I recommend that the Board award the bid to Green Buick in the total amount of \$19,664.00. Although this is not the lowest bid price, I believe it represents the best value given the model year and mileage.

This purchase will be offset by the scheduled van purchase in next fiscal year. I will attend the next Committee of the Whole meeting to discuss this purchase and to answer any questions you or the Board may have.
