Re: City of Bettendorf's proposed creation of TIF Districts for a new Hilton Garden Inn at I-74 and Middle Road.

The City of Bettendorf notified Scott County of an opportunity to consult that is scheduled for, Friday, June 28, at 10:00 AM regarding plans to create a TIF District in an existing urban renewal district. The City is proposing the use of tax increment financing generated by the development of a new Hilton Garden Inn at I-74 and Middle Road. The TIF funds would rebate the tax increment revenue on the project for ten years.

Proposed Hotel Redevelopment

The assessed valuation and property taxes generated by the existing hotel at Middle Road & I-74 are:

Current land value	\$2,350,000
Current taxes paid	\$ 82,530

The proposed project is anticipated to result in:

Future Assessed Value of developed land	\$9,250,000
Estimate of future taxes of developed land	\$ 231,250
Estimated duration of TIF	10 years
Estimate of Annual TIF payment	\$ 148,720
Total TIF payments over 10 years	\$1,487,200

The development agreement the City has with the developer states that the TIF payment will be based on a five story Hilton Garden Inn with a footprint of 20,000 square feet, as well as two additional free standing buildings for other retail commercial businesses, totaling a minimum assessed value of \$9,250,000. The \$82,530 in taxes paid on the existing property will continue to go to the taxing entities.

The question I would have is how much of the proposed TIF payments will cover the re-development costs, such as demolition and public infrastructure improvements, and how much would be attributed to other development costs or direct payments? Also, do they propose to offer any TIF incentives to any retail commercial that may locate on Lot 1 and Lot 2 of the site.

I plan to attend next Friday morning's meeting to discuss this with City Staff so that we can formulate a recommendation to the Board. Let me know your thoughts or comments. The information provided by the City is included.

SUBJECT: Establishment of a new Bettendorf Hotel Associates Tax Increment Financing District.

Please accept this letter announcing the Opportunity to Consult on establishment of a new Tax Increment Financing District within the City of Bettendorf in Urban Renewal Area #6. The hearing will be held on **June 28, 2013, at 10:00 a.m.** in the **Economic Development Office, City Hall, 1609 State Street, Bettendorf.** If you have any comments you wish to make, you are encouraged to attend at that time.

Bettendorf Hotel Associates, LLC consists of approximately 4 acres in the Kimberly Road Corridor and will be a redevelopment of the commercial area. This area is outlined in the attached Bettendorf Hotel Associates Final Plat and in the attached aerial photo of the area.

In an effort to promote commercial growth in the area, the developer is asking for the establishment of the new TIF District. Previous projects in the corridor have involved public and infrastructure improvements by the City of Bettendorf and Tax Increment Financing. In this request, the private sector (Bettendorf Hotel Associates, LLC) is funding public and infrastructure improvements prior to the request for TIF. The developers will be maintaining the assessed value of the project site at \$2,350,000.

Therefore, there will be no reduction of the current revenue taxing entities are now receiving. The City will offer TIF for new commercial structures above the \$2,350,000 minimum assessed value of the improved land.

Prior to the passage of any TIF ordinance, the City of Bettendorf desires to notify the affected taxing entities and consult with them concerning the Bettendorf Hotel Associates Tax Increment Financing District.

We have included a copy of the initial development agreement submitted from the developer.

Should you have any other questions regarding this matter, please feel free to contact us at any time.

Sincerely,

A handwritten signature in cursive script that reads "Steve Van Dyke".

WHEREAS, business redevelopment and blight elimination is a high priority goal for the City of Bettendorf, and

WHEREAS, development within Urban Renewal Area #6 has not occurred at a rate desired by the City of Bettendorf, and

WHEREAS, under Chapter 15A of the State Code, the City is required to determine that a public purpose will reasonably be accomplished and the City Council so FINDS that jobs will be preserved and expanded, blight will be eliminated and tax base increased as a result of the agreement signed herein; and

WHEREAS, under Chapter 403 of the State Code, the City may enter into development agreements to assist and retain local businesses to strengthen and revitalize the economy of the State of Iowa and the City of Bettendorf; and

WHEREAS, Chapters 15A and 403 of the Code of Iowa authorizes cities to provide grants, loans, guarantees, tax incentives and other financial assistance to or for the benefit of private persons.

NOW, THEREFORE, the parties hereto agree as follows:

Section 1. Developer Obligations. The Developer shall undertake the Project, consisting of the demolition of certain existing structures, the reconstruction / redevelopment of certain existing improvements, and construction and installation of certain new buildings, facilities and other improvements. Developer agrees to make the following improvements, both on and off-site to enhance traffic movements with respect to the Project and to post additional security to the City, as follows:

- A. Dedicate certain property identified within the Developer's plat and/or site plan for the purpose of the construction of a deceleration lane traveling east on Middle Road into the Project. Further, the Developer will construct said deceleration lane at his expense.

Section 2. Project Phases.

The Developer anticipates that the Project will be redeveloped in a single phase. The Project shall consist of total demolition of the existing hotel/restaurant and the construction of a free-standing, five story Hilton Garden Inn with a foot print measuring approximately 20,000 square feet and the construction of two free-standing buildings measuring in total roughly 6,500 square feet for the purpose of housing several businesses including Cynron, LLC.

Prior to the construction of the Project, the Developer shall submit to the City copies of all plats, site plans and engineering documents related to the Project as customarily required under existing City Ordinances. The City may request reasonable changes to such plats, site plans and documents to insure compliance with existing applicable City Ordinances and engineering requirements plus a quality appearance. The Project shall commence promptly upon City approval of plats, site plans and issuance of a building permit, and the Developer shall diligently prosecute construction to be completed prior to the end of calendar year 2014.

Section 3. Economic Development Payments. In recognition of the Developer's commitment set out herein, the City agrees to make economic development tax increment payments (the "Payments") to the Developer in each fiscal year during the term of this Agreement, pursuant to Chapters 15A and 403 of the Code of Iowa, to reimburse the Developer for a portion of the cost of the project, in an amount equal to the tax incremental revenue derived from the project. For the purposes of this agreement, the tax incremental revenues derived from the entire project encompassing the total site shall mean only the taxes available for division by the City under the Urban Renewal Law in excess of an assumed base year assessment on land and buildings of \$2,350,000. The Developer shall agree to execute a minimum assessment agreement effective from 1/1/13 through 12/30/28. Once complete, the total assessed value of the entire project encompassing the total site is anticipated to be in the amount of \$9,250,000.

The Payments shall be made solely and only from incremental property taxes received by the City from the Scott County Treasurer, which are attributable to the improvements made to the Property as called for herein. The Payments to the Developer are subject to the timely payment of property taxes by the Developer or other owners of the Property, and to the satisfactory completion of the Improvements.

Section 4. Term. On or about November 1st of each year, the Developer and/or its assigns, shall report to the City the Status of payment of all property taxes then due on the property and certify to the City the development costs associated with the project. Such costs may be aggregated for purposes of the certification, including all previously certified costs and new costs, and shall be reduced by all payment of incremental tax money then received by the Developer and/or its assigns. This certification may be hand delivered, or may be mailed by certified or registered mail, return receipt requested to the City Administrator, City of Bettendorf, 1609 State Street, Bettendorf, Iowa 52722. On December 1st of each year, and based upon the Developer's and/or assigns' certification to the City, the City shall certify said amount to the County Auditor pursuant to Iowa Code Section 403.19(6) as debt incurred within the District (as established by the Tax Increment Financing Ordinance).

The payment shall be made on December 1st and June 1st of each fiscal year, commencing with the fiscal year of tax payments arising from the January 1st, 2015 tax assessment and continuing for a maximum of ten (10) fiscal years of taxes or until a maximum of \$1,675,000 in incremental tax revenue has been rebated to the developer, whichever first occurs.

1. The maximum of ten (10) years of payments under this Agreement shall be reduced by one (1) year for each year the Developer fails to timely pay real estate taxes on the parcel. No payments shall be made by the City until all real estate taxes are paid in full.
2. The maximum of ten (10) years of payments under this Agreement shall be reduced by one (1) year for failure to construct the Project by December 30, 2014.

Section 5. Assignment. This Agreement may not be amended or assigned by either party without the express permission of the other party. However, the City hereby agrees and consents that the Developer's

right to receive the Payments hereunder may be assigned by the Developer to a private lender, as security, or to another entity which is controlled by the Developer, without further action or approval on the part of the City. In the event that Developer sells the Property subject to the minimum assessment agreement as herein required, the Developer may without any further consent of the City assign its rights to the remaining payments. The City agrees, further, not to unreasonably withhold its permission upon receipt of a request from the Developer for assignment of all or any portion of its rights and obligations hereunder to any other party and to either approve or deny such request within sixty (60) days after receipt of such request by the City Council.

Section 6. Successors and Assigns. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties.

Section 7. Governing Law. This Agreement shall be deemed to be a contract made under the laws of the State of Iowa and for all purposes shall be governed by and construed in accordance with the laws of the State of Iowa.

Section 8. Dispute Resolution. All disputes, controversies and questions directly or indirectly arising under, out of, in connection with or in relation to this Agreement or its' subject matter, including without limitation, all disputes, controversies and questions relating to validity, negotiation, interpretation, construction, performance, termination and enforcement of the Agreement, shall be resolved finally and conclusively in accordance with this section, which shall be the sole and exclusive procedure for the resolution of any dispute.

The parties shall attempt in good faith to resolve any dispute promptly by negotiation. If the matter has not been resolved within twenty (20) days after a party's request for negotiation ("Negotiation Period"), either party may initiate arbitration as provided herein.

Initiation of Arbitration. If the dispute is not resolved during the Negotiation Period, any unresolved dispute, controversy or claim arising out of or relating to this Agreement or the relationship resulting in or from this Agreement (each a "Dispute" and collectively, the "Disputes") shall be settled by binding arbitration. The expedited procedures of the Commercial Arbitration Rules ("Commercial Rules") of the American Arbitration Association ("AAA") in effect on the date that the arbitration is initiated as provided herein shall govern the procedure for the arbitration, except to the extent modified by the provisions of this Section 8. The arbitration shall be initiated by sending to the other party and the AAA a written demand for arbitration that complies with the requirements of the Commercial Rules (the "Arbitration Demand") and by requesting from the AAA a list of qualified arbitrators (the "Arbitrator List") meeting the requirements of the following paragraph. The AAA shall not administer the arbitration and shall only provide the list of qualified arbitrators and appoint one or more arbitrators under the circumstances set forth herein. Each party to the arbitration shall be responsible to pay an equal share of the fees payable to the AAA in connection with the arbitration, subject to the right to recover such fees as a cost or expense incurred in connection with the Dispute as otherwise provided in this Section 8. If a party fails to pay its share of such fees within the time required by the AAA, any other party may advance such share and recover it from the party failing to pay it, together with interest at the annual rate of 18%. The party advancing such share shall be entitled to have an immediate award entered by the arbitrator, once appointed, for the full amount of such party's payment with interest thereon and attorney's fees and expenses incurred in connection therewith.

Appointment of Arbitrator. The arbitration shall be conducted by a single arbitrator selected by the parties from the Arbitrator List or, if they cannot agree on that arbitrator, by the appointment of an arbitrator by the AAA. The parties agree that the arbitrator selected by the parties or the AAA must be a person with extensive knowledge in the subject matter of the Dispute(s) and at least five (5) years of experience in arbitrating substantially similar issue(s) as those described in the Arbitration Demand and submitted to arbitration hereunder.

Location of Arbitration. The arbitration, including the rendering of the award, shall take place in Bettendorf, Iowa.

Arbitrator's Award. Any award rendered by the arbitrator may be entered as a judgment or order and confirmed or enforced by either party in the division of the United States District Court located in the Southern District of Iowa which includes Bettendorf, Iowa. If either party brings or appeals any judicial action to vacate or modify any award rendered pursuant to arbitration or opposes the confirmation of such award and the party bringing or appealing such action or opposing confirmation of such award does not prevail, such party will pay all of the costs and expenses (including, without limitation, court costs and attorney fees) incurred by the

other party in defending such action. Additionally, if either party brings any action for judicial relief (other than injunctive relief) in the first instance without pursuing arbitration prior thereto, the party bringing such action will be liable for and will immediately pay to the other party all of the other party's costs and expenses (including, without limitation, court costs and attorney fees) to stay or dismiss such judicial action and/or remove it to arbitration. The arbitrator may only grant a remedy or relief that is within the scope of this Agreement, including, but not limited to, any limitations on remedies imposed by other provisions of this Agreement. The arbitrator shall not award punitive or exemplary damages, and each party to this Agreement waives their respective right to recover punitive or exemplary damages under any circumstances. In making an award, the arbitrator shall apply and follow the laws of the State of Iowa applicable to contracts and to the extent applicable, the Federal Arbitration Act, found at 9 USC §1, et. seq. (the "Federal Arbitration Act"), which shall supersede any state laws governing arbitration of Disputes; provided, however, that the procedural rules in the Commercial Rules and the evidentiary and discovery rules set forth in the following subsections of this Section 8 shall be applied notwithstanding state or federal law to the contrary. The prevailing party in an arbitrated Dispute shall be entitled to recover as a part of any award the costs and expenses (including without limitation reasonable attorneys' fees) incurred by such party in connection with the arbitrated Dispute.

Discovery. Except as hereafter provided, discovery shall be at the discretion of the arbitrator and allowed only upon a showing of good cause. The parties shall comply with the requirements of Federal Rule of Civil Procedure 26(a)(1)(A), (B) and (C); Federal Rule of Civil Procedure 26(a)(2)(A) and (B); and Federal Rule of Civil Procedure 26(a)(3)(A), (B) and (C) within sixty (60) days after the date of the Arbitration Demand. Any party failing to comply with such requirements shall be subject to sanctions as provided in Federal Rule of Civil Procedure 37(b)(2)(A), (B), (C) and the final unlettered paragraph thereof; Federal Rule of Civil Procedure 37(c)(1); and Federal Rule of Civil Procedure 37(d); provided, however, that the arbitrator may permit a party to have one additional period of up to thirty (30) days to cure any such failure. The arbitrator shall permit, as a matter of right, the depositions of the parties and any expert witnesses to be taken. The arbitrator shall not allow more than one (1) set of interrogatories limited in number to no more than thirty (30), including subparts thereof. The arbitrator shall have the right to enter protective orders under Federal Rule of Civil Procedure 26(c)(2), (3), (4), (5), (6), (7) and (8). The parties shall supplement responses to discovery permitted in this subsection under the circumstances described in Federal Rule of Civil Procedure 26(e). Discovery requests and responses, including objections, shall be signed in the manner described in Federal Rule of Civil Procedure 26(g) and the certification described in Federal Rule of Civil Procedure 26(g)(2) and penalties described in Federal Rule of Civil Procedure 26(g)(3) shall apply to each signature. The arbitrator shall enforce the discovery provisions set forth in this subsection.

Evidence. The formal rules of evidence shall not be applicable to the arbitration. Any relevant evidence, including hearsay to the extent it is determined by the arbitrator to be reliable, may be admitted by the arbitrator if it is the sort of evidence upon which responsible persons are accustomed to rely in the conduct of serious business affairs, regardless of the admissibility of such evidence in a court of law.

Time Limits. The award shall be made by the arbitrator on or before thirty (30) days after final submission of all matters, or within such extended time, not exceeding an additional thirty (30) days (sixty (60) days total) as the arbitrator may determine is necessary.

Form of Award. The arbitrator shall render the award in writing, which shall set forth in detail the reasons for such award. The arbitrator shall sign and date the award and serve upon each party a signed copy of the award.
