Re: Request for resolutions in support of "American Discovery Trail Day in the Quad Cities".

The Board of Directors of the American Discovery Trail (ADT) is meeting in the Quad Cities on Saturday, Nov. 2. The board is comprised of about 25 individuals from California to New Hampshire who are advocating for the American Discovery Trail which runs across Iowa and Illinois and crosses the Mississippi River in the Quad Cities where it also intersects with the Mississippi River Trail (MRT).

Joe Taylor with the Quad Cities Convention and Visitors Bureau serves on the ADT Board and has requested QCA local governments to pass resolutions in support of "American Discovery Trail Day in the Quad Cities".

I have attached a draft of such a resolution for the Board's consideration. Joe Taylor has confirmed that Davenport, Bettendorf, Rock Island County, Henry County, Rock Island, Moline and Carbon Cliff have approved similar resolutions.
