Re: Second and Final reading of ordinance to rezone approximately 7 acres from Agricultural-Preservation District (A-P) to Agriculture Service Floating Zone (A-F) legally described as the south 865 feet of the west 355 feet of the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 19, Princeton Township.

Following approval of the first of two readings December 19th, the Board will now consider the second and final reading of the ordinance to rezone 7 acres (more or less) in Princeton Township from A-P to A-F. The A-F regulations state that the Planning Commission reviews the Site Plan at the same time as the rezoning application and all conditions of the Site Plan Review will be included in the ordinance amendment. The Planning Commission approved the Site Plan for Flenker Brothers Trucking with the following conditions:

- 1) The applicant shall plant tree buffer strips along portions of the west, north, and south edges of the site so as to limit the impact of the development upon 240th Avenue. The plantings shall include at least 50% evergreens or other non-deciduous plants which will provide buffering during all seasons. Such plantings shall not extend west into the road right-of-way or obstruct traffic visibility for either motorists along 240th Avenue or for traffic turning out of the site.
- 2) The applicant's proposed security fencing shall enclose the entire site and include a lockable front gate at the main entrance. This shall be completed prior to the beginning of any operations.
- 3) Any parking or circulation area must be paved, while any storage area may be graveled and shall have controlled access. The County Engineer's Office must approve the driveway approach and all paving and surfacing.
- 4) Any building shall obtain a building permit and comply with all Scott County building codes.
- 5) Copies of any state and federal permits held by Flenker Bros, LLC shall be submitted to the Scott County Planning and Development Office prior to operation.
- 6) All requirements of the Scott County Health Department shall be met.

Those conditions have been included in the attached ordinance amendment. With its final approval the Board of Supervisors would be permitted to amend those conditions if it was determined to be appropriate by the Board prior to approval of the second and final reading of the ordinance amendment.
