Subject: Approval of Purchase of Auditor’s Office Netbook Computers

A quote has been received for the purchase of twenty-one netbook computers and thirty-five barcode scanners for the Auditor’s Office.

The quote summary is as follows:

Item	
21 HP Probook 450 's	\$11,938.50
35 Barcode Scanners	\$9,397.50
Totals	\$21,336.00

It is recommended that the Board approve the quote from Cerro Gordo County to add netbook computers in the Auditor’s Office at a cost of \$21,336.

The Auditor’s Office benefits from the following business process improvements through the use of netbooks at election polling places:

- o Access to complete voter information at polling places
- o Ease of voter record changes eliminating overtime after elections
- o Facilitate efforts toward green initiatives by reducing paper based system requirements

Roxanna Moritz, Scott County Auditor, and I will be available at the next Board of Supervisors’ Committee of the Whole meeting to answer questions related to this request.

Dollars are budgeted in the Capital Improvement Program to fund the cost of this project.
