MEMO

TO: Dee F. Bruemmer  
County Administrator

FROM: Jon Burgstrum  
County Engineer

SUBJ: Bridge Project L215—73-82

DATE: September 8, 2014

Resolution approving the purchase of precast Portland cement concrete beams for construction of a 55' by 30' bridge over Big Elkhorn Creek in Section 30 of Cleona Township, in Scott County, Iowa. The following quotes were received:

Oden Enterprises, Inc. out of Wahoo, NE: \$78,771.80

Cretex Concrete Products out of Maple Grove, MN: \$69,500.00

Alternate bid for a 55' by 30' bridge:

**Cretex Concrete Products out of Maple Grove, MN: \$71,400.00**

We have chosen the 55' bridge because of the additional benefits in the backwater calculations. The lower backwater elevation will help to prevent road overtopping that occurs occasionally with the existing bridge. We felt that the added benefit of the longer bridge justified the additional \$1,900 cost. This is a joint Day Labor project with all costs to be split equally with Cedar County. The current bridge has a three ton posting and needs to be replaced before winter. This project is in the FY2015 Construction Program and Budgeted at \$90,000

SCOTT COUNTY BOARD OF SUPERVISORS

September 11, 2014

AUTHORIZATION TO PURCHASE PRECAST PORTLAND CEMENT CONCRETE BEAMS  
FOR CONSTRUCTION OF 55' BY 30' BRIDGE, Project L-215-73-82.

BE IT RESOLVED by the Scott County Board of Supervisors as  
follows:

Section 1. That the purchase of precast Portland Cement  
Concrete beams be awarded to bidder, Cretex Concrete  
Products, Maple Grove, MN in the amount of \$71,400.00.  
The beams will be used to construct a 55' by 30' bridge  
located on 1st Avenue over Big Elkhorn Creek in Cleona  
Township.

Section 2. That this resolution shall take effect  
immediately.
