Memo To: **Board of Supervisors** 

Sheriff Dennis Conard From:

#### **REF: RACOM Channelized BDA for Courthouse and Jail Proposal**

Enclosed is the RACOM proposal for a channelized BDA for the Courthouse and Jail. During our recent radio coverage analysis that was done prior to the purchase of new radios for the jail, RACOM proposed that we could further improve our radio coverage in the jail and courthouse with the installation of the channelized BDA.

We are proposing to use funds from the inmate commissary fund to cover the purchase of this enhancement for facility security.

I can be available to answer any questions the Board of Supervisors may have concerning this maintenance and support agreement.
