Approval of funding the startup costs for ambulance services to the Blue Grass Area to Medic in the amount of \$275,623.

BE IT RESOLVED BY the Scott County Board of Supervisors as follows:

Section 1. That Scott County Board of Health requested that Medic take over the Blue Grass area and deliver ambulance services in May of 2014. Medic agreed to deliver ambulance services and requested that funding be provided to offset the startup costs of such a service. The Health Board agreed to that requirement and assigned the service area to Medic in order to have quality services and to eliminate a potential gap in services or long response times.

Section 2. The Board of Supervisors recognizes the commitment of the Board of Health and authorizes the payment of \$275,623. This payment will be funded through the FY15 budget amendment in the capital budget through the transfer of FY14 assigned fund balance.

Section 3. Therefore, the Scott County Board of Supervisors authorizes the County Administrator to pay these costs to Medic upon approval of this resolution.

Section 4. This resolution shall take effect immediately.
