SUBJ: Approval of Contract Price for Base Stabilization Product

DATE: May 7, 2015

This is a resolution to approve the purchase of services and materials from Heffron Services for a base stabilization project. This project is the first of our new base stabilized program. It is a mile and a half project on 120<sup>th</sup> Ave between highway 130 and 210<sup>th</sup> St. We have budgeted \$110,000 for this project. The following bids were received:

Heffron Services Urbandale IA	\$36,960.00
Binns and Stevens Oskaloosa, IA	No Bid
Team Labs Davenport, IA	\$12,650 Material only (no water, no labor, no equipment)

We will supply the equipment to blade and compact the treated rock. We will also haul in more rock for the respective layers. We are estimating \$70,000 for the additional rock, labor and equipment.

I recommend approval of the services and materials from Heffron Services.
