SUBJ: Authorization of Engineer to Sign Fog Sealing Proposal

DATE: July 14, 2015

A resolution for the Engineer to sign the proposal from Gee Asphalt Systems, Cedar Rapids IA for Fog Sealing on 257th Avenue and 150th Avenue in Scott County.

We placed a fog seal on 257th Ave in 2012. This process requires periodic retreatment to continue to preserve the pavement. We paid \$32,161 in 2012. The price for this year is \$32,513 which is only a slight increase.

We also have a price to fog seal 150th Ave up to the pumpkin patch. This road was paved in the fall of 2012 and is showing some distress. We feel the fog seal will add significant life to the pavement. The price for 150th Avenue is \$40,668.50

Total price for both projects is \$73,181.50. There is \$300,000 budgeted in 2016 for crack filling and fog seals and minor patching for the Fiscal year.
