Subj: Approval to Purchase Two Vehicles on behalf of Bi-State Regional Commission

Bi-State Regional Commission has approached Scott County asking us to assist them with the purchase of two 2015 Ford Fusion Hybrids off of the State of Iowa Contract. Bi-State is unable to purchase directly from the State of Iowa Contract because their physical location is in the State of Illinois.

Scott County will purchase the vehicles and then be reimbursed 100 % by Bi-State Regional Commission.

I will be in attendance at the next Committee of the Whole meeting to discuss this purchase and to answer any questions you or the Board may have.
