Subj: Award of Bids- Telecommunication Cabling for Courthouse Phase Three and Four

Facility & Support Services solicited bids for structured telecommunications cabling for the Courthouse Phase Three and Four project. This contract will provide cabling needed for computers, telephones, and other electronic equipment in the renovated spaces.

Below summarizes the bids that were received based on specifications developed in conjunction with Scott County Information Technology.

COMPANY	QUOTE
CDWG	Submitted late- Not considered
<b>Communications Innovators</b>	<b>\$43,832.00</b>
Tri City Communications	\$48,400.00
Vista Defense Technologies	\$97,751.58

The apparent low bidder is Communications Innovators. This work is budgeted in the Capital Budget, as part of the overall project budget.

I recommend awarding the bid to Communications Innovators in the above amount.

I will be in attendance at the next Committee of the Whole to discuss this project and answer any questions you or the Board may have.
