Facility and Support Services

Subj: Set Public Hearing for the Approval of plans and specifications- Patrol Project

Wold Architects has completed the design process and construction drawings and this project was officially let for bid on February 8, 2016. Wold will be at the Committee of the Whole meeting on February 23, 2016 to present the project to the Board.

This project requires a public hearing; I recommend that the Board of Supervisors set the public hearing for February 25, 2016 at 5:00 p.m. with the approval of plans and specifications on the agenda that same night.

Current estimated construction cost is \$5,315,100.00. This project is funded in the Capital Budget Plan.

I will be in attendance at the next Committee of the Whole to discuss this project and answer any questions you or the Board may have.
