- Section 5. The Scott County Board of Supervisors will submit to the Iowa DNR the written reports it received from the Scott County Planning and Development and Health Departments on which its determination is based, and the documentation of publication of the required public notices. The Board will also submit any written and/or electronic comments from the general public it receives on this application.
- Section 6. The Scott County Board of Supervisors would recommend that the construction permit application of Scott Wolf be approved based on its compliance with the requirements of the Master Matrix, Iowa DNR rules and Iowa Code regulations for such applications.
