Ref: Sheriff's Office restructuring

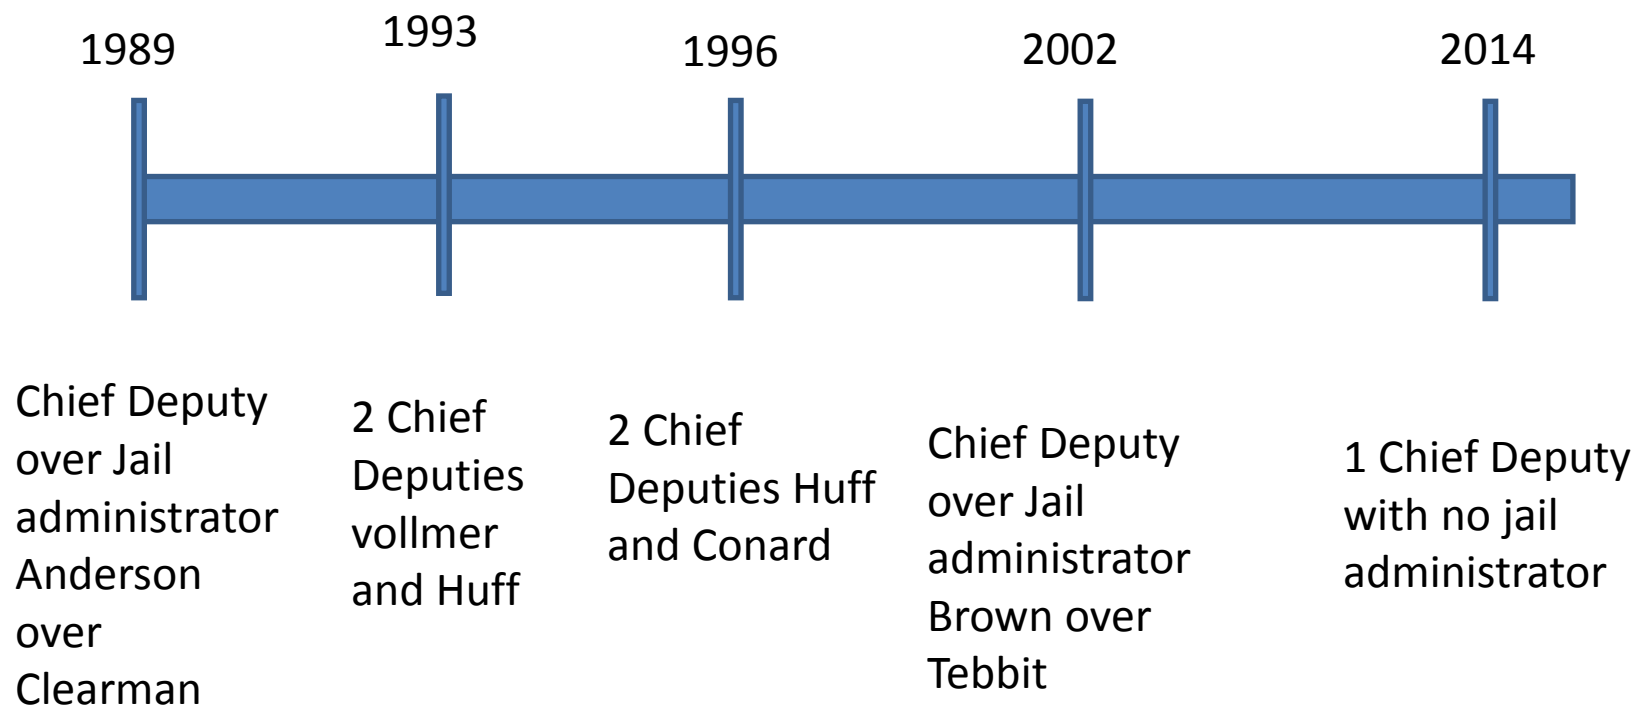

Scott County Board of Supervisors/Scott County Civil Service Commission/ County Administrator:

I would like to propose a restructuring of the ranks within the Sheriff's Office, to commence at the beginning of my term, to allow for two Chief Deputy appointments and three Deputy Sheriff's at the rank of Lieutenant. This restructuring would increase the current number of Chief Deputies from one to two and would reduce the number of Lieutenants from four down to three.

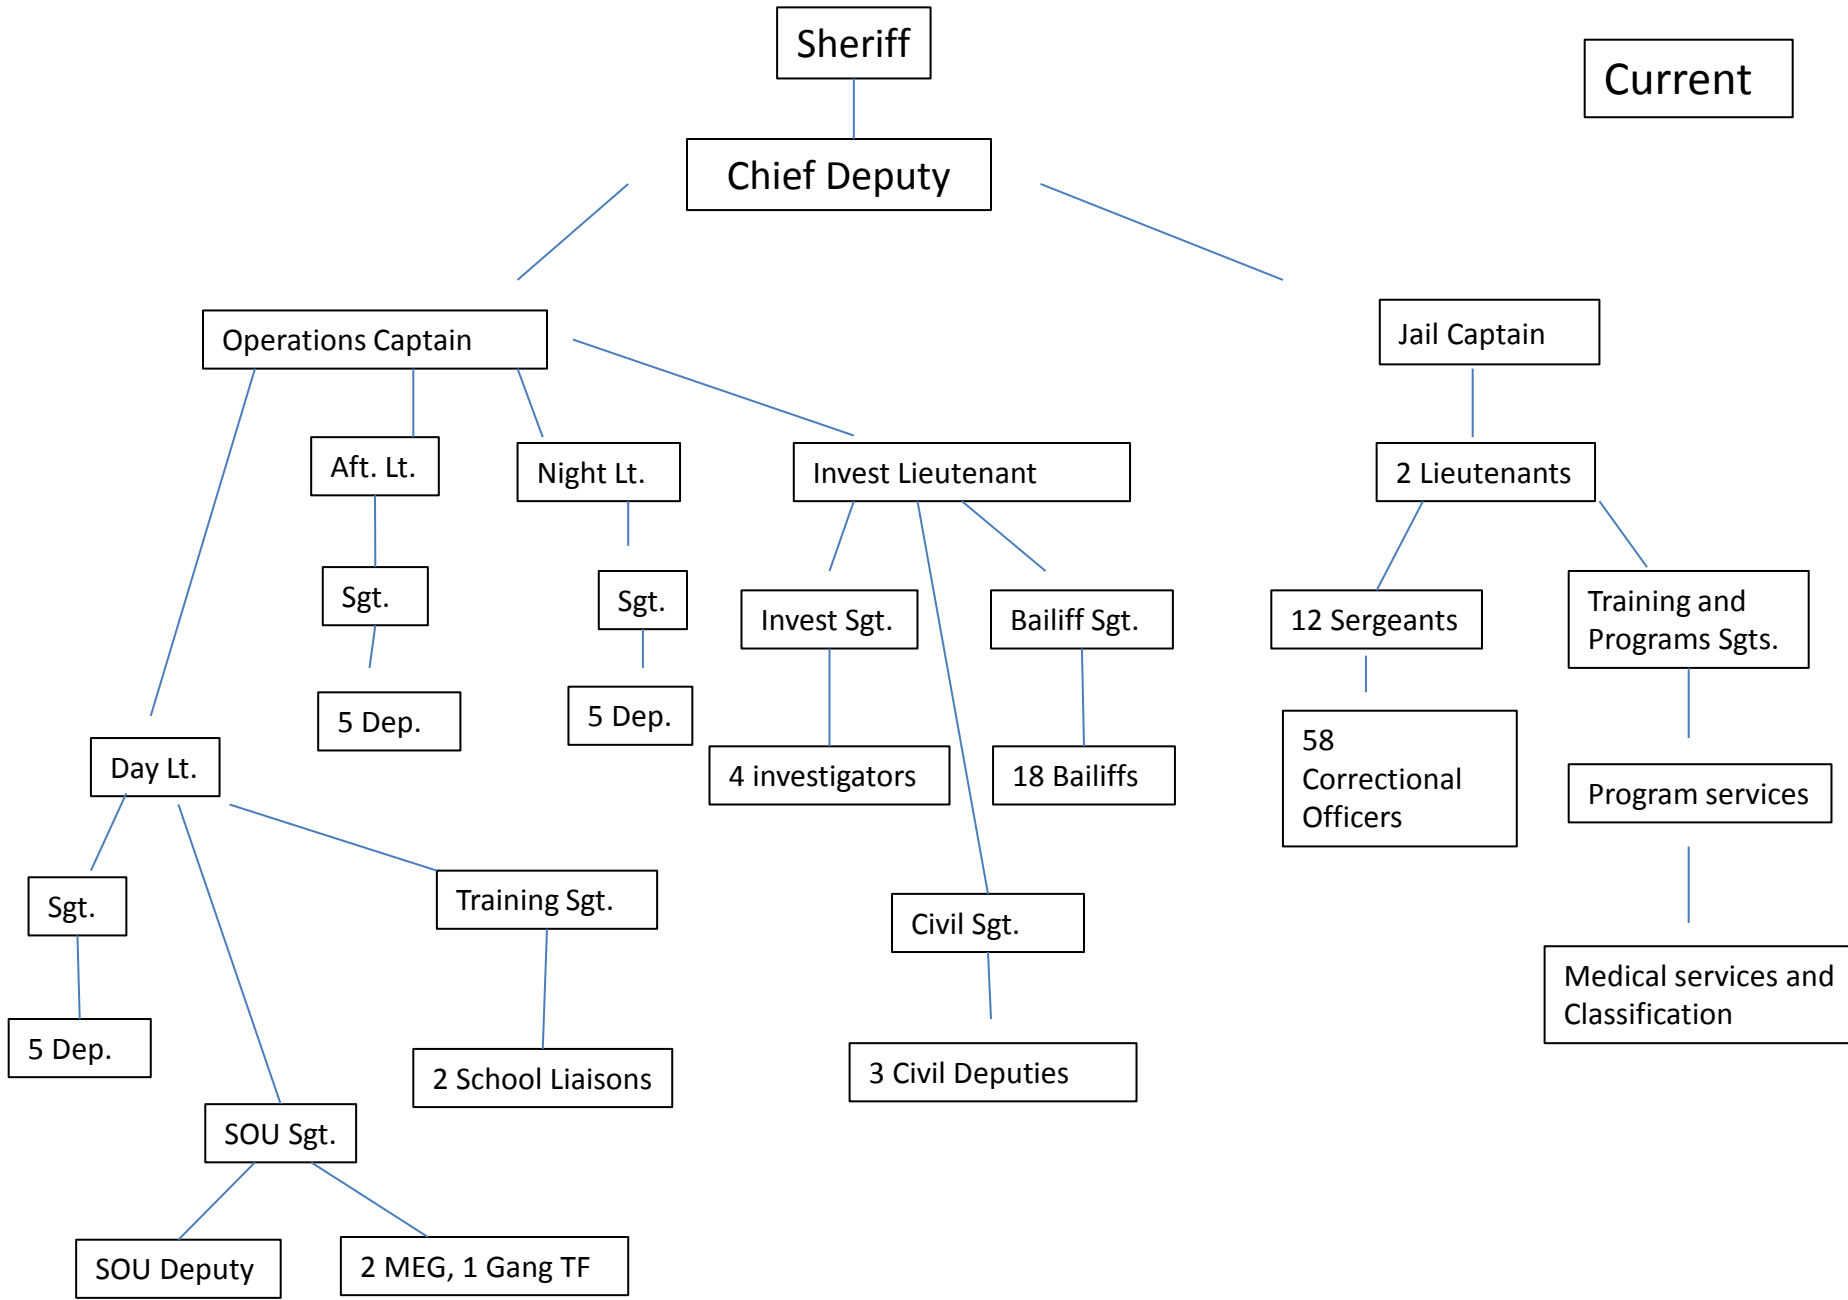

The Code of Iowa allows for three Chief Deputies for Scott County based on the population. The past practice for Scott County is to have either two Chief Deputies or to have one Chief Deputy and one civilian Jail Administrator. I do not plan to add a civilian Jail Administrator.

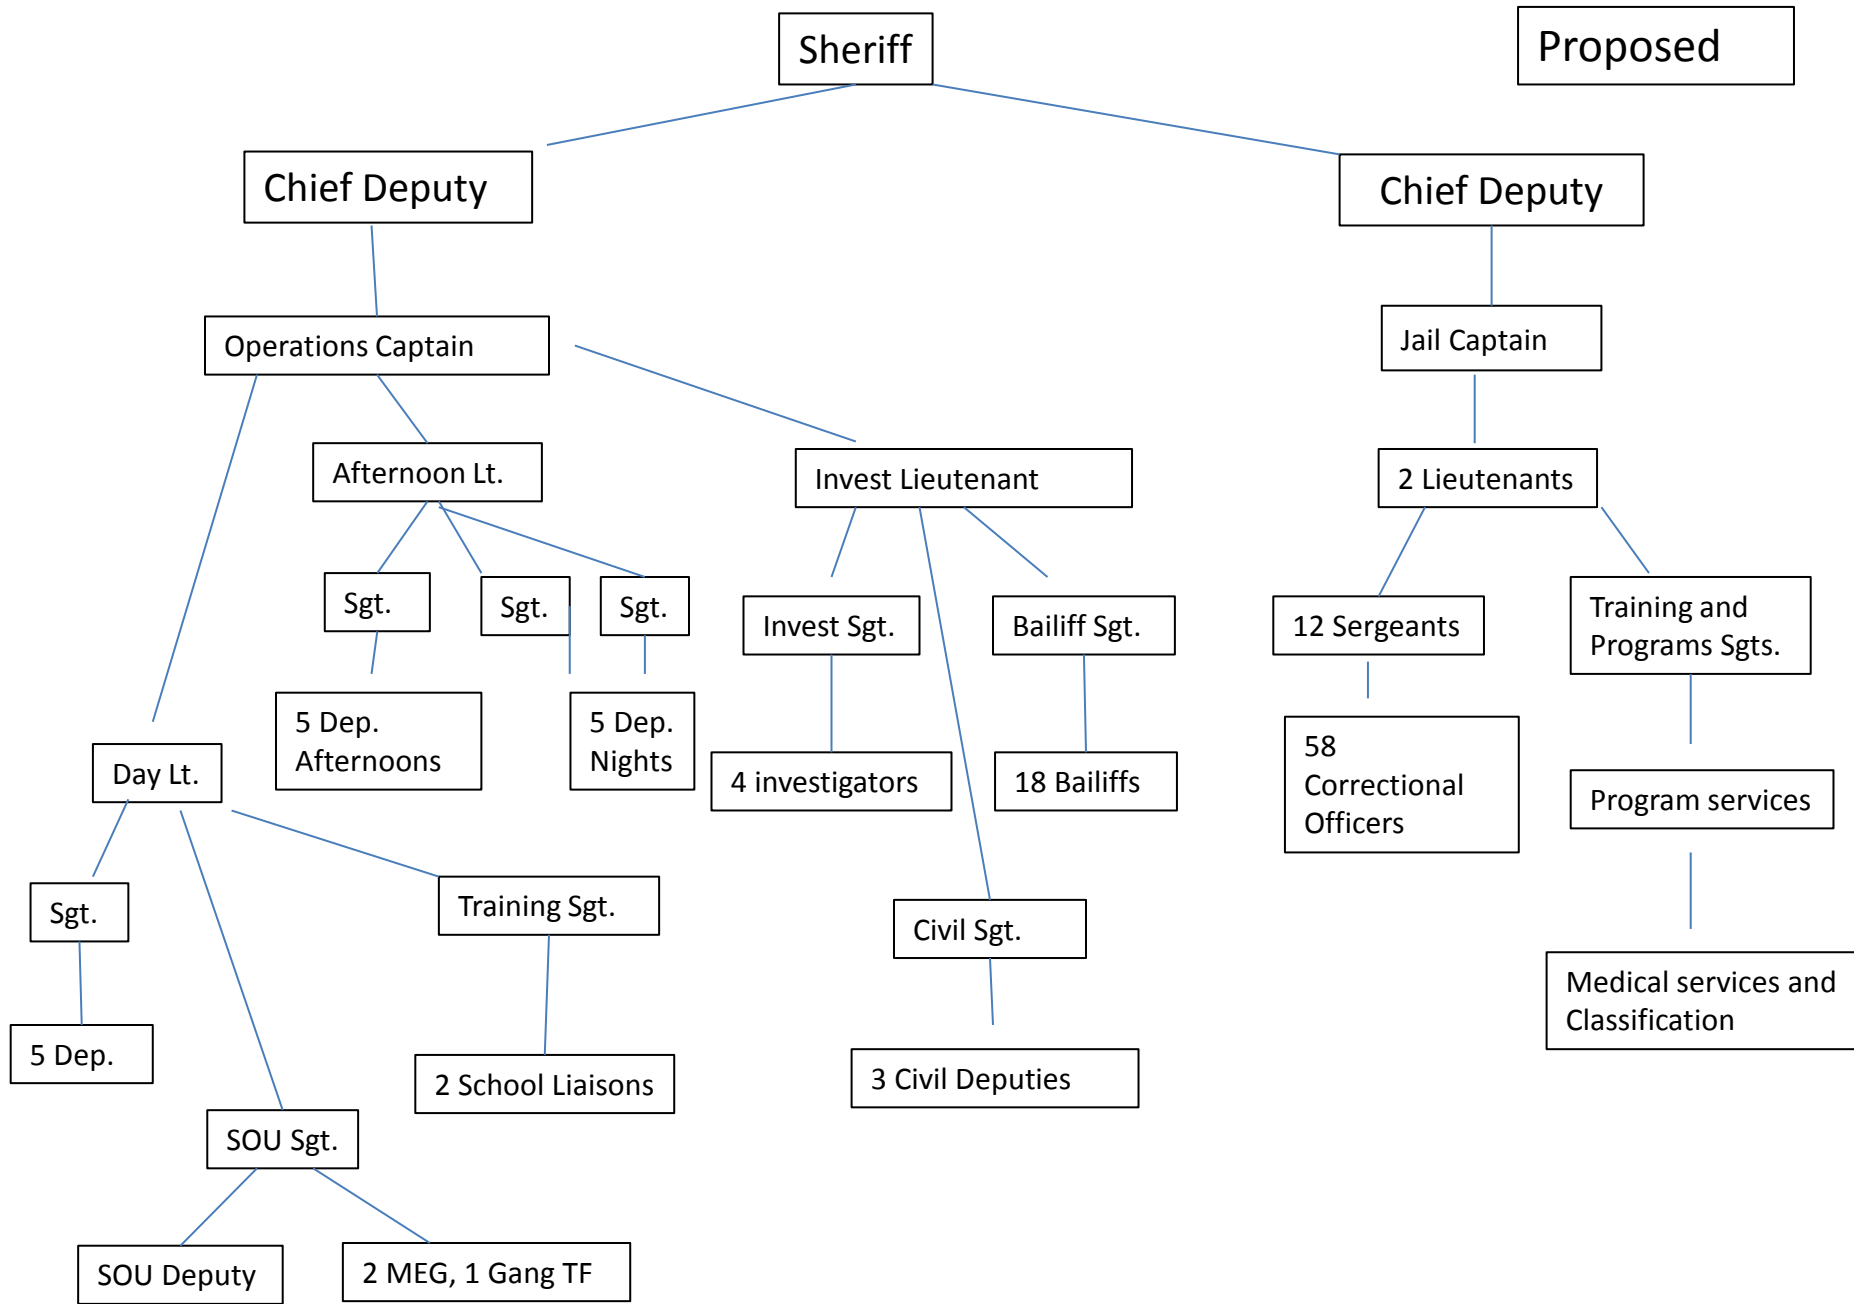

This request will likely require an amendment to the current Sheriff's Office budget moving funds from patrol salaries to administrative salaries and approval from the Civil Service Commission. I would like to propose at this time that this request be placed on the agenda.
